Oasis's office

Come in.

You called me, sir ?

Yes, have a seat.

It's alright, sir. I have to go soon.

I've called you today because you've been so quiet.

In other schools, student councils request meetings. In our school, it's the opposite, hah...

You've been so quiet that I started to wonder if you were planning something else.

For real, sir? That's a bad joke, sir.

I will request a meeting if the council needs further funding.

It's never good for the public eyes to see us together which I am sure you are fully aware of.

Now, I have some matters to attend. Excuse me...

Yes, of course.

Oh, Na-Young.

Hello, professor.

Good timing. I was about to contact you.

Are you really not going to partake in the competition ?

No... I am already busy enough with student council.

This worries me.. We have no one else good enough ...

I am sorry.

If you change your mind, please call me. We have time until end of next week.

I will call you.

Sigh...

Receiver's phone is currently turned off...

I will just have to visit him, I guess.

I have to go out for a while.

Ah, okey...

I will finish my share when I get back.

Just so you know, I am not going out to avoid doing it.

Yeah... I know! Thanks...

... You thank way too often.

...

What's gotten into her ?

She doesn't make a mess anymore also ...

I don't know what's going on but I am happy.

Oh, wow, is this really Hye-Ri's room?
